

# Calling All Sophomores !!!

## Jefferson County Schools

### Career Expo 2016

In partnership with the *American Job Center of Jefferson County*.

Students will be inspired and motivated as they broaden the possibilities for their future. The Career Expo will provide students the opportunity to experience “a day in the life” with their careers of interest; gaining an understanding of career pathways,

Jefferson County Fair Grounds

October 25, 2016

SLHS Session will be 9:30-10:30

Buses will leave at 8:40am and return at 11:30am

Students will attend sessions in their area of career interest (chosen during their ICAP session with counselors) and will meet with people that are working in the industry .

There will be over 50 industries represented .

With live demonstrations in...

- Virtual Welding Simulation
- Water Treatment Van
- Semi-Truck & Driving Simulation
- 3D Printing
- ...and more

Students must be registered! This was done in the Sophomore ICAP session with counselors. See your counselor or the counseling webpage if you missed this session.

Return your signed permission slip right away!

**Space is limited**

What's your Path??
