PRINCIPAL NEWS

Parent Teacher Conferences- Thank you to all of our families that attended P/T Conferences. We appreciate the partnership and commitment that we have with our SLHS families. These events provide a vital line of communication, transparency, and belonging for the academic community. Together, we can build student engagement and success.

Also, on behalf of the faculty and staff, thank you PTSA for providing dinner!

Student IDs at Lunch- The old lunch line keypads are no longer compatible with the new software from Jeffco Food Services. Therefore, all students getting lunch will need to scan their student IDs. Please remind your student to have their ID out and ready as they get in the lunch line. **This begins on October 2nd.**

From the School Resource Officer (SRO)

Officers from the Commerce City Police Department have a number of students that find it difficult to purchase Halloween costumes for an enjoyable trick-or-treat experience. CCPD is reaching out to the SLHS community to request from our families, that if you have any gently used and outgrown Halloween costumes, that you no longer have a use for, to please bag them up and drop them off in the school office prior to the 20th of October. An officer from CCPD will pick them up and pass them out at an event on the 21st in their city.

Thank you for your support!

SCHEDULER NEWS

Trip Sargent

Please join us for a very informative session regarding all things related to paying for college! This session will answer all of those difficult questions that will come up as you help your student pay for college. The FAFSA has many changes this year, and those will be addressed on the 12th as well. Do not miss out on this unique opportunity to learn from the best! We look forward to seeing you next week!

INSTRUCTION & ASSESSMENT NEWS

PSAT and SAT Test Day Changes

Testing is moving into the digital world! When students test in April, we will be using the new Bluebook app from College Board to conduct all PSAT and SAT tests. Students can start to adventure around in this app already as it is available on all district devices. Students are still encouraged to use Kahn Academy for help or by visiting the College Board website for more tips and tricks to future assessments.

AP Test Fees

If your student is enrolled in an AP class, **the fee for each AP test is \$98**. All students must register for the test online via their [College Board](#) account. **All late registrations or cancellations, taking place after November 10, 2023, will be charged a \$40 late/cancellation fee.** You can pay all fees online via your Infinite Campus account or the Jeffco Student Fee Payment system.
